

East Coast Indoor Dirt Nationals Competitor:

Attached are four documents for you to review and bring with you.

- Trailer Parking / Marshaling Procedures
- Tentative Schedule
- Dirt 600 Rules 2020
- Inspection Form

The rules and schedule are just to have on hand and make sure you are compliant with everything. We will be enforcing the U6SA Rev Limit rule. On the schedule we have added a few laps to the heat races, qualifiers and F, E, D, C, B Mains on Saturday. After reviewing the information from past years I felt a few more laps would have gone a long way for some competitors.

One note on the schedule, Thursday's practice is now included with your pit pass. So anyone that plans to come down and unload on Thursday we encourage you to practice as well. We switched to this procedure a few weeks ago in Atlantic City and it went much smoother.

Trailer parking and marshaling will be the same procedures as last year. You will report to Lot 4, noted on the map and be given a marshaling card and number. We will not give out any cards on 12 noon on Thursday, trailer unloading won't start until 3pm! We are doing this to make it easier on everyone, don't get there at 9am!

We will send you in groups by your marshaling number over the Arena / Lot 2. Once at the arena you will unload all your necessary equipment and move to your parking spot for the weekend. You will not have to move spots once you are parked, it will be your location for the weekend. Please work with my staff and your fellow competitors on parking spots. Each spot is marked and we don't have extra spots, so every spot must be used! Bring only what you need! A shuttle will be available if you need to run back to your trailer for spare parts, motors, etc.

If you want to pit with a teammate let us know and we will do our best to accommodate your request.

The lot where you unload your trailer (Lot 2) is a paid parking lot controlled by Mercer County. Your truck and trailer parking in Lot 4 is included with your entry. If you want to park in Lot 2, you will be charged \$10, the same fee as the spectators would pay to be in that lot. Once its full its full, if you don't want to pay I suggest parking around the trailers in Lot 4.

Before entering the garage area everyone must purchase their pit pass and sign the insurance waiver. We will also be inspecting cars as you enter the garage area, if you pass inspection you will be able to get fuel right away to avoid that step.

The inspection form is attached to this e-mail, be way ahead of the game and have the top portion filled out before you arrive!

Practice on Thursday will start at 7pm and run until 10pm. The plan is for 3 rounds of practice.

Thanks again and please let us know if you have any questions.

# RACER INFORMATION PACKET

## FEBRUARY 20-22

### Cure Insurance Arena - Trenton, NJ

**ARENA GPS ADDRESS: 81 Hamilton Ave, Trenton, NJ 08611**

Trailer Parking Lot: 615 S. Broad St., Trenton, NJ 08611
