### TQ Midget Racers competing at Allentown -

Thank you for your entry into the fifth Ironton Global sponsored Indoor Auto Races presented by BELFOR at Allentown's PPL Center. Please find information you will need for trailer parking and unloading at the PPL Center in downtown Allentown, PA.

Those **staying overnight** will stage at the host hotel, **The Holiday Inn**.

Those arriving **Friday morning** will go to the **Allentown Fairgrounds**. The fairgrounds will also be where the trailers are kept at Friday night until the event ends on Saturday night.

If you forget to bring the below Trailer Parking and Unloading information with you to Allentown it will also be available on our web-site as are race rules at [indoorautoracing.com](http://indoorautoracing.com).

### TQ MIDGET RACER TRAILER PARKING & UNLOADING PROCEDURE

**STAYING OVER NIGHT AT THE HOLIDAY INN???** - The host hotel for this year's event is the Holiday Inn located at **4325 Hamilton Blvd, Allentown, PA**. The Holiday Inn has room for trailer parking behind the hotel and this will be your marshalling spot for those staying over night.

Our staff will be on hand starting from 6pm-10pm to hand out marshalling cards at this location.

On Friday morning starting at **8:00am** we will send the first group of trailers from the Holiday Inn parking lot to the PPL Center. You must have a numbered window placard to unload at the arena! Anyone without that placard will be sent back to the lot.

- The PPL Center is located right off Hamilton Blvd. Make a left at the traffic light leaving the hotel
- Follow Hamilton Blvd for approximately 4 miles until you reach 8th Street.
- Turn left on 8th Street, the PPL Center will be on your right.

Once on 8th Street you will be directed where to go to unload.

**TEAMS ARRIVING FRIDAY MORNING** - Starting at 8:00am Friday morning will stage at the Allentown Fairgrounds. **DO NOT ARRIVE BEFORE 8:00AM!** The GPS address is 302 N 17th St, Allentown, PA 18104. You will enter the fairgrounds through Gate 8, located off of Liberty Street.

On Friday morning starting at 10:00am we will send the first group of trailers from the Fairgrounds to the PPL Center. You must have a numbered window placard to unload at the arena! Anyone without that placard will be sent back to the lot.

- Exit the fairgrounds on to Liberty Street, make a right on Liberty.
- Turn right on 17th Street, follow 17th Street to Hamilton Street, Route 222.
- Turn left on Hamilton St. follow to 8th Street
- Turn left on 8th Street and unload as per instructed.

**UNLOADING AT ARENA** - All trailers will be unloaded on 8th Street. Police and Indoor Staff will be there to direct you where to park, please listen to all directions.

- From the time you drop your trailer door you will have **10 minutes to unload** your car, tires and all tools and parts on the side walk that you wish you bring into the arena. With more cars to unload Friday morning this year, time will be kept!

- During unloading you will need two people, someone to stay with your equipment and someone to stay with the truck and trailer. **Do not leave your truck and trailer unattended!**

Once everything is unloaded to the sidewalk we need the driver of the truck to leave to open space for the next trailer. ***Anyone that exceeds their time limit for unloading will be penalized first with practice time and then with time trial or heat race starting position.***

**DO NOT MOVE YOUR EQUIPMENT TO THE PIT AREA UNTIL THE TRAILER HAS LEFT.**

- As soon, as you are done unloading, your truck and trailer will be sent to back to the fairgrounds to be stored during the event. We will have a shuttle available during the entire show if you need to run back to the lot for spare engines or parts. If you need this service, stop at the black sign-in trailer off 8th street.

We strongly encourage you to only bring what you need into the arena, space is limited and the more you unload the more you have to load back up at the end of the event!

**ALL TQ TIRES MAY BE WRAPPED.**

- No tires should be treated with chemicals as per the tire agreement. So this year we will allow your tires to arrived wrapped to keep them clean.

## **DIRECTIONS FROM UNLOADING ZONE TO TRAILER PARKING LOT**

- After unloading your equipment follow 8th street down to Linden Street.
- Turn left on Linden Street and follow this for 1.5 miles.
- Turn right on 17th Street and follow to Liberty Street.
- Turn left on Liberty Street and enter the Fairgrounds through Gate 8
- Gate 8 of the Fairgrounds will show as N. St. Cloud Street
- Follow indoor staff directions once on fairgrounds. Trailers will be parked in the infield.

## **DIRECTIONS BACK TO ARENA FROM TRAILER PARKING LOT**

SHUTTLE - We will be running a vehicle back and forth to return you the PPL Center. It will also be available during the event if you need something from your trailer. Go to the black sign-in trailer on 8th street if you need a ride.

DRIVING BACK TO PPL CENTER - Because of one-way streets you cannot return the same way you came.

- Exit the fairgrounds on to Liberty Street, make a right on Liberty.
- Turn right on 17th Street, follow 17th Street to Hamilton Street, Route 222.
- Turn left on Hamilton St. follow to 8th Street
- Turn left on 8th Street and unload as per instructed.

## **AFTER THE EVENT ON SATURDAY NIGHT -**

- You will leave your trailer at the Fairgrounds lot over night on Friday. At the conclusion of the event on Saturday, you will once again be marshalled back to the arena to load up.

If you are eliminated or have issues during the night on Saturday and would like to leave early, you may do so at any time. After the event is over, we will send trailers in groups to avoid over congestion on 8th Street.

## **PIT PASS INFORMATION**

All pit parking spots will be 8 x 8 foot. In this area you must be able to put all of your equipment. Please do not bring a pit box larger than the parking spot. It will not be permitted. Please work with us on this one.

Food and beverage will be available at the adjoining restaurants and on the concourse. As is the case at other facilities, you will be limited in what you can bring into the building and any form of alcohol will not be permitted in the garage area at any time. These are building regulations that must be met.

Please clean up your pit area each night and throw trash in the trash cans that the arena will provide. Please leave the area clean, so that we may return again next year. The parking garage as we have mentioned numerous times is a shared lot with the hospital and must be back in operation Sunday morning. If the event is to continue, we must be good tenants. Do not dump oil, anti freeze or anything on the ground and clean up after yourselves.

During afternoon practice you'll be limited to where you can watch from on the concourse as you were last year. Once the building is open to the public, all tickets are reserved. We have pulled sections 201 and 202 for those with pit passes. You'll also be allowed in standing room areas.

Pit passes will be available on Friday and Saturday starting at 8:00 am. You may purchase a weekend pass for \$70 or a Saturday only pass for \$50. Before you move your cars and tools off the street into the parking garage, please go to sign in trailer and get your pit pass. The sign in trailer will be located off of 8th street where you unloaded. You will not be allowed into the garage area until you have a pass.

Car inspections are being planned on the parking garage ramp prior to entering the pit area.

## **VP RACING FUELS**

Roadrunner Race Fuels will be servicing the event this year for VP Racing Fuels. C12 Racing Gasoline and Methanol will be available for purchase.

Roadrunner Race Fuels is cash only. Please plan accordingly.
